Project Information

The Chicago to St. Louis high-speed rail corridor is among the first high-speed rail projects in the country to begin construction, breaking ground in Brighton (between Alton and Carlinville) last September. Track renewal for this year's construction season began on April 2, 2011, from Elkhart (between Springfield and Lincoln) and is currently proceeding north. It is scheduled for completion by late summer. For project specific information, visit www.idothsr.org or call 1-855-IDOT-HSR (1-855-436-8477).
