

**ILLINOIS HIGH-SPEED RAIL GRADE CROSSING IMPROVEMENTS OCTOBER 2014** 

## Proposed Scope of Work:

- Relocate crossing to south of existing location
- Four quadrant gates to be installed at new crossing location
- Construction to be complete between summer 2015 and fall 2016

## **1010 AVENUE BROADWELL TOWNSHIP, ILLINOIS**

• Crossing to be realigned to intersect with Old Route 66 instead of Business 55
