

Proposed Scope of Work:

- Widening along Andrew Road with raised median
- Left-turn lane will be added to the west leg of Andrew Road
- Left-turn lane and right-turn lane will be added to the east leg of Andrew Road
- Existing traffic signal at Andrew and Sherman (Business 55) will be interconnected with the railroad crossing
- New sidewalks and pedestrian gates at the crossing, including a new bike path
- Fencing along railroad right-of-way
- Existing four quadrant gates to be relocated to accommodate roadway improvements
- Construction to be complete between summer 2015 and fall 2016
